Thriving Relationships

High school teens (from a variety of schools) come together for good food, fun games & meaningful discussions at Students of Impact.

God will help change the way you SEE... 🥰

When you can see your unconditional value and worth, it will change the way you *think* about yourself. You'll raise your standards for how others treat you. When you intentionally see the value and worth in others, it will elevate the way you *think* about them. You'll treat them with love and respect.

The Holy Spirit will help you be an instrument of His unconditional love for others.

"The Lord does not look at the things people look at. People look at the outward appearance, but the Lord looks at the heart." **1 Samuel 16:7**
