♥ Thriving Relationships & Chastity ♥

“As I have loved you,
so you must love one
another.”
John 13:34

You are God's GIFT to your people!

To help you be a shining reflection of God's love, the Holy Spirit gives you the gift of Chastity!

Chastity is a **virtue** that strengthens our ability to **love everyone rightly!** With the Holy Spirit, chastity will help you to be in command of the way you think about others, speak about and to others and treat others.

Teens were encouraged to surround themselves with friends, media and influences that **build them UP**. Otherwise, it's like trying to run up a down-escalator—exhausting and discouraging!

Every teen from every school is welcomed and valued at Students of Impact!
